To Whom It May Concern:

I am writing this letter of commendation for Mr. Greg Lemoine, ICT Teacher at the International School of Phnom Penh, for his outstanding contribution to the International Baccalaureate's Cambodia Teacher Training Project.

In September 2008 while working at the Project Schools in Kandal Province, I was asked to prepare a PowerPoint presentation on the history of the Project for the annual IBO/IBAP conference to be held in Beijing in October. Greg immediately volunteered his time and expertise to assist. Neither of us envisioned the hours and hours of after school time it would take to chronicle the stages and milestones of the past 6 years of teacher training in Cambodia. Greg, with good humour and great patience, spent evenings, weekends and even a holiday period to polish the presentation ready for the plenary session of the conference.

Subsequently, Greg has continued to provide assistance when requested and given freely of his time. Greg's sense of volunteerism and ability to be a good team player certainly make him a great asset to any school. His generosity and expertise are greatly appreciated.
