16 Years of Technology Teaching, Coaching & Leadership

25 Years of International Teaching Experience with Common Core and IB PYP

Dedicated Professional Learner & Active Contributor to School Community

*I am interested in joining an **educational technology team** at an international school and continuing with my focus on **design technology** in **STEM labs, tinkering or maker spaces** or **faculty training** as a **K-12 technology coach**.*

EDUCATION

- 2017 **Certification Early Elementary Educational Technology** - Tufts University, Boston, USA
- 2013 **Post-Graduate Credits in Educational Technology** - Michigan State University, USA
- 2007 **M.Ed. in International Education** - Framingham State College, Massachusetts, USA (cohort in Kuwait)
- 2001 **US Teaching License - K-6 Elementary** - State of Wisconsin Department of Education
- 2001 **Bachelor of Science in Elementary Education & ESL** - University of Wisconsin, USA
- 1992 **Bachelor of Arts in German; Minor in Russian** - Lawrence University, Wisconsin, USA

TEACHING EXPERIENCE

July 2016 - August 2026 - **Saudi Aramco Expatriate Schools** - Dammam, SAUDI ARABIA

Founding Future Lab Teacher (2018-2026)

- Started dedicated maker spaces with team of 14 teachers in five ARAMCO schools, focusing on student creativity, experimentation, and collaborative skills
- Created program for 650 of 1200 PreK to grade 4 students, seeing each class of 25 students once a week
- Introduced exploration of legos, early years robotics, KEVA planks, cardboard, and other materials

Information Technology Specialist (2018-2026)

- Taught PreK-4 students basic computer & keyboarding skills, online safety awareness, app building, coding, robotics, and AI
- Mentored teachers on PowerSchool, Chromebooks, 1-to-1 laptop environments, Seesaw, and Dojo
- Responsible for ARAMCO corporate online security, including phishing, spam, and scam awareness

Primary Homeroom Teacher (2016-2018)

- Developed & executed Grade 3 team's curriculum review work during re-accreditation

2013-2016 - **Primary Homeroom Teacher** - **The American School in Switzerland** - SWITZERLAND

- Taught all core subjects to Grade 4 using US Curriculum and Gr 1-8 Summer School Lego Robotics
- Implemented and supported 1-to-1 iPads in K-4 classrooms; introduced MAP testing on iPads
- Grade 7-8 Dorm Parent** (2014-2016): Led cooperative activities and supported social-emotional growth

2009-2013 - **Colegio Internacional Puerto la Cruz** - VENEZUELA

ICT Teacher: Taught 200 PreK-12 students, from mouse skills to web design, based on ISTE standards

K-12 Technology Coach: Introduced Google Apps and offered monthly PD to 35 K-12 faculty

Director of Technology: Member of SLT, oversaw two technicians, charged with network and hardware

2007-2009 - **IB PYP ICT Teacher** - **International School of Phnom Penh** - CAMBODIA

- Taught 500 K-5 students, using IB PYP framework for inquiry-based, students-centered learning
- Trained K-5 staff on introducing Mac, Windows, and mobile laptop carts into mixed grade classrooms

- Served as one of two learning support & ESL specialists for Special Needs program
- 2005-2007 - **High School Special Needs Teacher** - **Dasman Model School** - KUWAIT
- Taught Grade 9-12 classes, in self-contained classroom for distinct learning needs, using US Curriculum
- 2004-2005 - **Middle School Teacher** - **American International School of Egypt** - EGYPT
- Focused on Grade 6 Mathematics and English Language Arts, using US Curriculum
- 2001-2004 - **Primary Homeroom Teacher** - **Escuela Internacional Sampedrana** - HONDURAS
- Taught all core subjects to Grade 5, using US Curriculum
 - **Grade 5 Level Leader:** Onboarded and mentored four Grade 5 teachers at individual and team level

ADDITIONAL SKILLS

- **Technologist:** ChatGPT AI, Coding, Coach for digital immigrants, MAP Testing, Educational Staff Trainer, Powerschool, Edline, Gradequick, Mac OS X, iOS devices, Windows Networking, Mobile Apps, Destiny, Lego Robotics, Google Apps Certified, Chromebook management, Prometheans, Smartboards
- **Author:**
 - Puzzle Book: [Rebus Galleries: 300 Visual Word Puzzles from Easy to Mind-Bending](#) (2026)
 - Children's Book: [Stay for the Show!](#) (2026)
 - Handbook for Teachers: [International Teaching: The Best Kept Secret in Education](#) (2023)
 - [Finding the Right Fit: Your Professional Guide for International Educator Recruiting Fairs and Amazing Stories of a Teacher Living Overseas](#) (2022)
